RE: U.S. Senate Candidate Joseph S. Donnelly
Donnelly for Indiana, Committee I.D. C00496232

Dear Ms. Hannan:

It has come to our attention that the paperwork which was originally filed for U.S. Senate candidate Joseph S. Donnelly's principal campaign committee, Donnelly for Indiana, had the unintended consequence of causing a new committee to be created. It was our intention that Joe Donnelly for Congress, the principal campaign committee for his U.S. House candidacy, FEC Identification # C00393652, be amended to change its name to Donnelly for Indiana and become the principal campaign committee for his Senate candidacy.

To that end, please find attached an amended Form 1 for Committee Identification # C00393652, which reflects the changes to the name, address, treasurer, and office sought. It is our intention that this will be the principal campaign committee for Joseph Donnelly's 2012 Senate race.

As there has been no activity under the newly-created Committee Identification # C00496232, and it was created by a filing error, we request that C00496232 be terminated immediately. Additionally, so as to avoid confusion for donors, we request that once it is terminated, it be removed from the FEC's website, so that only the correct committee is shown.

Finally, we have also attached an amended Form 2 for candidate Joseph Donnelly, per your instructions. The intent is for this amended Form 2, which was filed for his original House candidacy, to be updated to reflect his change to candidacy for the U.S. Senate.

Thank you for your assistance in this matter. Should you have any questions, please do not hesitate to contact me, or our assistant treasurer, Janica Kyriacopoulos, at 202-628-1580.

Sincerely,

Kathy Davis
Treasurer
